

Nate Tribby

I am placing my name on the ballot to serve as a director for our HLR Association and asking for your vote.

Coming from the Midwest and while living in Wisconsin, I served in several positions in our local church, the Lions club and our Masonic Temple for several years. My background includes owner-operated businesses, investments, and general contracting of commercial and residential buildings. One of my business adventures was winter snow plowing for commercial sites. It has provided me with experience in road work within different climates and ground types.

As an officer of a previous HOA in AZ, we were able to resolve potential situations through discussions to find common ground and settle conflicts.

Here on High Lonesome, we built our own home, have installed solar and maintain the road on west Reata Pass. I know how hard it is to find workers to come out here, so I believe we need to help each other.

I would appreciate it if you would vote for me in the March 2024 HLR election. I believe my past life experiences can be of benefit to the Association and our Board.

A handwritten signature in black ink, appearing to read "Nate Tribby", with a large, stylized flourish extending from the end of the signature.
