

To whom it may concern,

I am placing my name on the March 2024 ballot to serve as a Director in our HLR POA and asking for your vote.

Please consider the following qualifications:

- Civil engineer who understands building and road maintenance.
- Avid supporter of alternative building methods (We currently live 100% of the Grid).
- In my work, I often deal with complex negotiations and conflict resolution.
- I am a progressive thinker who brings creative solutions to challenges.

I believe we have a duty to our neighbors to behave in a manner that brings peace and harmony to our daily lives. We have lived full-time on the Ranch for over 3 years and understand firsthand the challenges that we face as property owners. I also believe in inclusion and consideration of others' points of view. I am very optimistic that working together as neighbors, with a common goal, we can keep this Ranch a pleasant place to live.

Your support is appreciated.

Stephen Crosby

A handwritten signature in cursive script that reads "stephen crosby".
