## Enclosure 1: HLR Community Meeting Report for August 2012: Reserve Funds

The HLR BOD hosted a community meeting open to all POs on Saturday, 4 August 2012 to discuss the reserve fund. POs attending included: Bob H, Greg B, Eileen A, Joe A, George B, Jim B, and Lillian H. Thanks to all the POs who attended and for their input.

The purpose of the meeting was to discuss the HLR Reserve Fund and recommend a Reserve Fund level.

The HLR Reserve Fund currently has @ \$27K in the fund. The HLR Reserve Fund is for emergency repairs/replacement of common area property and for legal funds, as needed. The estimated cost of repairs/replacement of HLR Common Property is as follows:

- Roads:	\$80-100K
- Windmill:	\$5-10K
- Entrance/street signs:	<u>\$5-7K</u>
Total:	\$90- 117K

Given the estimated cost above the attending POs recommended the Association should set a goal to maintain at least @ 30% of the higher end amount above to cover inflation/potential legal cost for an estimated: \$40K.

The attending POs recognized that 30% should be our goal but recommended that the Association use the reserve funds to fix the roads to the levels they were at when POs bought their properties. Concern was expressed that to maintain the value of our properties the Association needed to keep the roads in good condition.

The attending POs also encouraged/recommended to the BOD was that delinquencies not be allowed to age beyond one calendar year. If a property has not paid their dues in full by the end of any given year the HOA will turn those lot owners over to the attorney for collection, in addition to all of the other measures afforded the HOA by law. Measures discussed included: liens, collection agencies, suspension of voting privileges, suspension of use of common area, interest, and legal action.
